Dear Parents and Carers of pupils in Key Stage 2,

Re: Class Dojo invitation

You will shortly be receiving an email inviting you to sign up for your child's Class Dojo page and create a Parent Account.

If you have had a pupil in the Derwent Class during the last two years then you will probably already be familiar with the format for Class Dojo.

However, for those that are not, it is a web based school communication platform that is established and used successfully in many educational settings around the country already.

It is a closed web page that will allow you to see updates and posts from the teachers in the 'Class Story' section (this is visible to other parents and carers of pupils your child's class that have signed up) and it will also allow you to share your child's home learning with the teacher in the 'Student Portfolio/Story' section (this is only visible to you and the teachers).

We think it will provide another effective line of communication between home and school during this period of enforced school closure.

Class Dojo is a safe website to use and is fully compliant with GDPR.

Further details about user privacy can be found by accessing the following link:

<https://www.classdojo.com/en-gb/privacy/?redirect=true>

We hope you take up the invitation offer and find Class Dojo useful as a means of communication with your child's class teacher.

Yours sincerely,

Mr Richard Kitching
