

Whole School Curriculum Guide 2015/16

	Years R and 1			Years 2 and 3			Years 4, 5 and 6		
	Autumn	Spring	Summer	Autumn	Spring	Summer	Autumn	Spring	Summer
ENGLISH	In line with the National Curriculum Framework document (DfE Sept. 2013) Egginton Primary School will 'promote high standards of language and literacy'. At its core will be Spoken Language ensuring all children are effective speakers and listeners. Through the use of: Phonics bug (KS1) and Collins Grammar and Punctuation (KS2) Word Level Work (phonics, spelling and vocabulary) will be taught. Sentence Level work (Grammar & punctuation), Handwriting, Reading/Text Level Work (comprehension & composition) will be taught discretely. These skills will be developed in cross curricular literacy. A life long love of reading will also be encouraged.								
MATHS	As stated in the National Curriculum Framework document (DfE Sept. 2013) 'maths is a creative and highly inter-connected discipline' with this in mind the teaching of mathematics at Egginton Primary will develop children's fluency, reasoning and problem solving. Using the Derby and Derbyshire Mathematics Plans.

MUSIC COMPUTING									
MFL – FRENCH	Not applicable			External provider supports current topics to develop French vocabulary, grammar and conversation.					
RE	At Egginton School we follow the Derbyshire Agreed Syllabus for RE 2014-19. We have adopted a whole school approach looking at Islam and Judaism these are compared to Christianity looking at similarities and differences. The key areas of learning involve learning about and learning from world religions. The children learn through question based topics: Autumn term – Believing, Spring term – Expressing and Summer term – Living. RE is explicitly taught and timetabled. Assemblies can have religious themes but these are additional to our RE lessons. We have collective act of worship daily.
