

## EGGINTON PRIMARY SCHOOL SPORTS PREMIUM FUNDING

### School Sports Funding. What is it?

From April 2013, the Government is providing £150 million for Physical Education (PE) and sport to improve the quality and breadth of PE and sport in schools. Physical education will leave students with a legacy of success, facilitating a healthy and active lifestyle.

This Sports Premium funding will be ring fenced to be used for sport and PE, and schools will be able to determine what they believe to be the most appropriate use of this funding.

Funding will be allocated through a lump sum for each school and a per-pupil top-up mechanism. Eggington Primary School received £8255 in funding during the 2016/17 academic year.

Eggington Primary School will be receiving sports funding £16,700 in the 2017/18 academic year in light of the new changes to Sports funding.

### PE Vision Statement

At Eggington Primary School we value and celebrate the role of PE and sport has in the education, enjoyment and well-being of our pupils.

We ensure the provision is of high quality and allows all children to reach their full potential. We have benefitted by working in close partnership with Premier Sports and South Derbyshire Sports Partnership during the 2017/18 academic year.

We provide continuous professional development (CPD) for staff involved in the delivery of PE and school sport, and work alongside clubs to provide strong links and effective pathways into activities outside of school.

### **PE development through funding 2017/18**

**Budget received: £16010**

Action	Impact
High quality PE sessions taught by specialist coaches	Majority of pupils have made good progress in areas of PE. Staff have had opportunities to develop skills and practice through observation of specialist coaches. Eg Cricket through the Chance to Shine Program
Extra-curricular clubs	School have subsidised the provision of a wide range of after school sports clubs for all year groups. The uptake has

	been extremely positive with the significant majority of pupils attending at least one sports club this year.
Sports competitions	Funding has enabled us to participate in a range inter-school sports competitions including the Football Prominent Cup and SDSP Sports Festival. For a small school this competitive experience was extremely valuable for our pupils.
Lunch time play leaders	We have used funding to employ lunch time play leaders to lead groups of pupils in active play and develop sports leadership skills for our younger pupils.
Equipment	A number of PE equipment purchases have been made to update resources and ensure resource provision is appropriate. We have also significantly invested in our outdoor play equipment improve provision and opportunities for pupils during break and lunch times,
Staff training/ CPD	Lunch time supervisors have worked alongside SSSP Playleaders to develop skills of interactive play. An HLTA has worked alongside Premier Sports coaches to develop knowledge and skills of delivering a sequence of PE lessons in range of different sports areas. Key Stage 2 teachers have worked alongside DCC cricket coached to develop their knowledge and skills of delivering a sequence of lessons in the striking and fielding areas of PE.
Inclusion for SEN pupils	Funding has enabled us to put additional support and arrangements in place to enable some pupils with SEN to access sport and outdoor learning activities that they would not normally be able to do so.
ICT tracking system	ICT website used to track and assess progress of pupils towards key PE objectives.
