

Meeting 7

Thursday 7th July 2016

Present: Oliver S, Joshua H, Georgina, Jake, Mia, Eben, Raglan, Grace H, Luke, Oliver C and Mrs Puszczynska.

As this was our last School Council meeting for this academic year we had biscuits and sweets as a mini celebration.

Points from the last meeting:

1. A water butt has been discovered in the wildlife garden and will be installed ready for September.
2. The children had asked school members about ideas for the toilet décor. Themes included; sports, dinosaurs, sea, theatre and bubbles. It was decided that the boys' toilet would be themed as a JUNGLE and the girls would have a SKY theme. Mrs P will paint the toilets during the holidays.
3. We discussed Football and it was suggested that each class have their own football so that if it is kicked out of the playground it is only that class who is unable to play football (until the ball is returned).
4. Class names were discussed and birds were chosen for 2016/17.

Rec/Yr1 – Robins

Y2/Y3/Y4 – Puffins

Y5/Y6 – Eagles

Mrs P thanked all the council representatives for their hard work this year.

As Luke will be leaving to move into Y7 we said goodbye to him. Also, having been a school council rep for 2 years Raglan will not be up for re-election in September.

School Council elections for 2016/17 will take place w/c 19th September with the first meeting being Friday 30th September.
