

"I first became a Parent Governor in 2013, leaving in 2015 due to work commitments in Ireland. I am delighted to have had the opportunity to rejoin the Governing Body in the role of Co-opted Governor. My daughter Katie currently attends Egginton Primary School and is in Year 4, and my son Oliver spent 7 happy years at Egginton School before moving up to John Port in September 2017. I love Egginton village and have a real desire to see the Primary School and all of its pupils thrive. I have spent my 34 year career in the Brewing Industry working in the UK and abroad. I am presently employed in the Production Operations team at a large brewery based in Burton. I have a keen interest in many sports and am Manager of a local Under 12's football team as well as a Season Ticket holder at Burton Albion FC"
