

Chair of Governing Board since January 2015

TRICIA MORGAN

Chair of the Teaching & Learning Committee  
Sits on the Personnel & Staffing Committee  
Nominated Governor for Gifted & Talented Pupils

I have been a co-opted Governor of Egginton Primary School since 2010, and live in the village. I am a great advocate of village schools and am proud to be part of the team at Egginton, a role I really enjoy. I have always had a keen interest in the education and welfare of children, and during my working life I spent over 12 years as the Head teacher's PA in a large Secondary School. I also acted as Clerk to the Governors of that school. Since retiring, I now work in a voluntary capacity alongside the team of Play Specialists at the Derbyshire Children's Hospital.
