Dear Parents/Carers,

Re: Breakfast Club Consultation

We are considering the possibility of starting a daily breakfast club at Egginton Primary School. We are proposing that the club would begin from 7.30am and children can be dropped off at any point from then. Breakfast would be provided and the club would be supervised by at least two members of staff.

A selection of activities would be available for the children to participate in whilst at the breakfast club. Children would then be taken to their respective classrooms by staff.

We propose that the daily charge for the use of breakfast club would be £7 per pupil per day.

We would be grateful for any feedback from parents and carers relating to this suggestion. Please could you return the attached slip to the school office by Tuesday 1st May or email your response to info@egginton.derbyshire.sch.uk.

Yours sincerely,

Mr Kitching
