Dear Parents and Carers,

**Re: Parking Outside School**

Recently it has been brought to my attention that a small minority of parents and carers are parking inconsiderately and, at times, dangerously during the morning drop off and afternoon collection times on school days when many young children are walking to and from school.

A particular concern that has been raised is that some parents and carers are continuing to park opposite the yellow zig zag lines outside school on the 'blind bend' on Church Road.

Once again, I respectfully request that all parents and carers do not park opposite the yellow zig zag lines and instead park in Egginton with consideration and courtesy for other school commuters and village residents.

The safety of all of our school community is held with the utmost importance at Egginton and we will be working closely with the local police community support officers to ensure parking and traffic outside school is monitored regularly in order to ensure drop off and collection times are as safe as possible.

I would like to thank the vast majority of parents and carers that do park and drive outside school with a great deal of care and consideration for others.

Yours sincerely,

Richard Kitching  
Headteacher
