Head Teacher: Karen Puszczynska MA

Head Teacher's News

A very warm welcome back to everyone.

What a fantastic start to the year. All the children are looking so smart and they all seem to have grown.

The newest members of our school have settled wonderfully into school and our new intake of Meerkats seem to have very good appetites and very big smiles!!

We also welcome our new members of staff, Miss Bennett into Rhinos and Mrs Pepper into the office. Mrs Jones will be leaving us temporarily to begin her maternity leave very shortly and we all wish her and her family the very best at this exciting time.

The staff have been very busy during the holidays getting classrooms organised and planning exciting learning experiences. A copy of your child's learning this term and the school homework policy will be sent home by the end of next week.

The children may come home talking about their 'non-negotiables'. These are the presentation expectations and learning behaviours the staff expect the children to adhere to. These will be constantly reinforced during the school year.

As a school we provide all the writing materials the children require therefore we politely request that no pencils cases are brought into school and they remain at home for completing homework tasks.

Our school vision is to promote:

- Happy, honest members of society
- A love of learning and success for all
- Confidence, independence and positive self-esteem
- An approach to learning that is creative and imaginative
- An enjoyment and excitement for all aspects of life
- Respect and value for others
- Responsibility for self and others
- Caring, friendly and helpful individuals

As I am sure you will agree these attitudes are what we all want for our children and with your continued support we are confident that their time at Eggington Primary will be happy, safe and productive.

Best wishes, Mrs Puszczynska.
