Head teacher: Mrs K Puszczynska MA

May 2016

I'm not completely sure what happened to Easter and April, it seemed to pass in a blur of snow and hail storms!

We are now reaching that point in the year when we take stock and look at how far we have come and what else needs to be achieved. The children continue their learning at a pace and we really appreciate the support families give. Almost 100% of families were able to attend our parents' evenings or made alternative arrangements with staff which shows how committed everyone is to supporting the children.

There will be plenty of further opportunities for parents and families to be involved in events at school over the summer. Details, as always, will be sent via newsletters, text messages and emails.

Kind regards, Mrs Puszczynska.

Traffic Light System

The children have been very positive about the clarity and fairness that the traffic light system is creating. Learning behaviour at the school has always been very good, however, as with most things there is always room for improvement. Overall, incidents of 'red card' behaviour have reduced and this is making the learning environment even more positive and productive. The staff and governors would like to thank the parents for their support.

Junior Book Club

Etwall library is looking to set up a junior book club aimed at children aged 8-12.

The club will run on Thursdays 4pm-4.30pm commencing 19/5/16

The group will meet monthly to discuss books and do a book related activity. If you would like your child to be involved please contact Etwall Library on 01283 733357

On Friday 29th April 14 keen and eager children joined staff for a camp-out at school. The evenings events included a Bin bag fashion show, a torch lit treasure hunt, games and a film. All the children behaved impeccably and everyone had a great time. Breakfast was filling and the children washed up and cleared away before they were collected. As this was such a great success we hope to do it again next year.
