**Headteacher – Karen Puszczynska**

7<sup>th</sup> January 2015

Dear Parents and Carers

A warm welcome back to you all after the Christmas break, I hope everyone had the opportunity to relax and enjoy time with the family.

I would like to take this opportunity to say how delighted I am to have been appointed as the new Headteacher of Eggington Primary School. From the moment I entered the school I was so impressed with the warmth of the welcome I received and the superb behaviour and positive attitude to learning shown by the children.

This is an exciting time for Eggington Primary as we look to build on our strengths of community cohesion and learning, to develop the life skills our children will need for their future success. With over 25 years of teaching experience I aim to support the staff and children to enable our learning community to be empowered, compassionate and happy.

The children of Eggington Primary are very lucky to have such a wonderful and committed staff to support their learning. The staff have high expectations for the children's learning and they all work incredibly hard to provide the quality teaching and interesting lessons required to stimulate the children's curiosity and interests.

Over the next term the school website will be updated so please keep an eye on it for information about our school. Your children should also now be aware of our S.M.A.R.T Rules to help their learning so please ask them about what they are.

As a parent of three teenage daughters, I know how important and precious the primary school years are. I am looking forward to sharing this special time with you and your children.

I look forward to meeting and working with you throughout the school year.

With kindest regards,

Mrs Karen Puszczynska  
Headteacher
