

Welcome back! I hope you all had an enjoyable Easter break with your families. It is hard to believe that we are already starting the summer term – this academic year has really flown by! As always in the summer term there is lots to look forward to. Class and whole school trips have already been planned, sporting events have been scheduled and there is also a variety of local community events coming soon that we hope as many of our pupils as possible will participate in. It should be another great summer at Egginton!

Design a Car for the Future competition with Motion Vehicles

At the end of last term all of the pupils participated in a ‘Design a Car for the Future’ competition. The competition was organised by Mr Fappiano (formerly a governor at Egginton) on behalf of his company ‘Motion Vehicles’. Our pupils had a great time creating some wonderful inventions that catered for all different types of families in the future. It was particularly interesting to see the different types of fuel and energy that pupils believed their cars would be run by.

Mr Fappiano visited school on 11th April to announce the winners. All of the children that participated generously received an Easter Egg from Motion Vehicles and the winners from each class (Isabel, Rhys and Rohan) each received an extra special Easter Egg as a prize. The pupils all enjoyed spending a few minutes looking at the Lexus Supercar that Mr Fappiano had been given by Lexus for the day to make the journey to school. Thank you to Mr Fappiano and Motion Vehicles for giving our pupils the opportunity to take part in such an exciting, creative challenge.

April 2019

Church Gresley Male Voice Choir

Our pupils and staff were treated to a fantastic performance by the very talented Church Gresley Male Voice Choir on 9th April. The choir performed a small selection of their repertoire and finished with a 'World War 1 medley.' This included two of the songs that our pupils already know really well ('Pack Up Your Troubles' and 'Tipperary') and they all had a wonderful time joining in with the choir and singing along.

All of our pupils have been fortunate enough to have been invited to sing alongside the choir for some of their songs at a forthcoming charity event at Egginton Memorial Hall on Saturday 8th June in the afternoon. This event has been organised by Mrs Slater-Ferguson (Jacob's Mum) in order to raise funds and awareness of ME. Further details will follow shortly. We hope that as many children and families as possible are able to take part. The Gresley Male voice choir were really fantastic and we would strongly recommend taking the opportunity to see them perform.

Collection Arrangements from School

We would like to remind parents and carers to ensure that they inform Mrs Pepper in the school office if there is going to be an alternative collection arrangement on a particular day at the end of school for their child or children. This is particular relevant if your child is going to be collected by an adult that is not on the 'designated adult collection list' held in the school office. For safeguarding reasons, it is vital that we know in advance (preferably at the start of the school day) if there is to be a change of person for collection and that it is the parent or carer of the child that informs school of the arrangement, not the child themselves.

Film Club

Over 50 children attended Film Club in the last week before the end of term to watch either 'Hotel Transylvania 3' or 'Peter Rabbit'. This once again proved to be a very successful and enjoyable event. Thank you to both staff and members of the PTA for giving up their time to help organise and run Film Club. The children always really enjoy it.

Lunch time Dinner Orders

Please can parents and carers ensure that they inform Mrs Pepper of any changes to their child's lunchtime arrangements, beforehand if possible but on the morning if necessary. The dinners are ordered on a daily basis according to the current information held. If a child who has a dinner brings in sandwiches without informing the office, then school still has to pay for that meal. Likewise, if a child who brings sandwiches in has a dinner then there is the possibility that we may run out of food.
