Welcome to new headteacher	The PTA extended a warm welcome to Mr Kitching		
Christmas Fayre	Plan to be produced as blueprint for future Christmas fayres It was another successful event. We missed a musical childrens contribution and Mr Kitching would like to re-introduce this for next year, perhaps in the middle of the event to encourage parents to stay for longer. We had a great response to the request for cakes which sold well. A special thanks to Sally Chadwick (and Evie) for their amazing contribution. This was Laura O'Brien's last year at co-ordinating stalls for us. The PTA would like to thank her very much for her hard work co-ordinating this.		RJF/LV
Other Christmas Events	The PTA helped the children decorate gift bags for their handmade Christmas presents. Notes for next year – Three members attended, fourth would have made the job easier. more bows needed, cover the glue table with a cloth, need to actively collect children from classrooms, don't wait for all of one class to finish before getting the next group as will take too long (approx. 10 children at a time).		

	<p>There was a new Santa for the Christmas party who thoroughly enjoyed the role. Naomi has the outfit. Remember a gift for santa next year.</p> <p>Raffle – 2 people have not collected their prizes. To be sent one last invitation to collect. Approximately 785 tickets sold. Sales at Aldi were not as good. Reminder for next year not to park in car park as volunteers got parking tickets.</p>
