

## School council Meeting

Date: 11<sup>th</sup> September 2017

### Present:

Mr Kitching, Max, Josh, Erin, Elizabeth, Holly, Amara, Liam, Rhys, Jacob.

### Agenda:

- The Role of the School Councillor
- Ideas and requests

### Minutes:

#### The Role of the School Councillor

Each school councillor introduced themselves to the group.

Mr Kitching explained the role of the school councillor and that their job is represent the views of the school, share ideas and make suggestions for all pupils.

#### Ideas and requests

HL - Suggested creating a pupil newspaper with articles that appeal to the interests of the pupils. All council members agreed this is a good idea. Mr Kitching to promote in assembly. Pupil newspaper to go out once every half term.

JT - Requested a pump for the footballs and new boxes for the play equipment as they are broken. RK said he would purchase the required items.

MC - Stated that school councillors should remind other pupils in the class to put the equipment away properly at the end of break and lunch rather than just leaving it out. All agreed his was a good idea.

MC - Suggested an ideas book for each class. All agreed this was a good idea.

HL - Suggested a worry/feelings box in each class. RK said he would suggest this to the teachers.

RW - Asked if the school council could paint the toilets again. RK said that the toilets had been painted just over a year ago so were OK at the moment but when the time came to paint the toilets or another part of school again then the school council could make suggestions.

JT - Asked if pupils could bring pencil cases and rucksacks to school. RK said this had been considered by the teachers before but unfortunately it would take up too much space in the classrooms and on the tables. Also, pupils may get upset if they're own equipment is broken.

**Next meeting: 9<sup>th</sup> October**
