

School council Meeting

Date: 6th March 2017

Present:

Mr Kitching, Will, Scarlett, Isobel, Alice, Grace M, Charlotte, Maisie, Olivia, Eben, Mia.

Agenda:

Behaviour update

School in a Bag

Feedback for progress - What helps you to learn?

School dinners

AOB

Minutes:

Behaviour update

All school council members agreed the new system was working well. Children are trying really hard to get team points. Children don't want to go on amber or red and instead they are trying really hard to get team points. Far fewer people have been moved to amber or red.

School in a bag

Mr Kitching reported that he had spoken to the charity organiser and she would visit the school in the summer term to carry out a school in a bag activity.

Feedback for progress policy

The following areas were identified as helping pupils to learn:

- Having interesting and exciting lessons
- Having words to use - displays/ ideas on the wall.
- Being rewarded team points for good work
- Quiet learning environment - no shouting
- Games to learn
- 'Tickled Pink' and 'Green for Growth' colours to show what they have done well and need to improve

School Dinners

Only 3/10 council members had school dinners. Council members stated that sometimes school dinners people take a different item to the one they ordered. Mr Kitching said he would speak to class teachers about this.

The pupils that ordered the meals said they liked them

AOB

Will W. asked about Egginton's Got Talent. Mr Kitching said it would be scheduled for summer term and the School council could take the lead in organising it by putting up posters and creating adverts.
