 - Tuesday - Year 3 and 4*
 - Wednesday - Year 5/6*
 - Thursday - Reception/ Year 1/ Year 2*
 - Friday - Mixed*
- Anti-bullying theme week
- AOB

Minutes:

New Equipment

School council suggested new footballs, football nets, bikes and trikes and ankle skippers. Mr Kitching said he would look into buying the items.

Extra-curricular clubs feedback

School council said they liked the range of clubs that are currently on offer at Egginton. Alex asked if there could be a Key Stage 1 Hockey Club. Mr Kitching said he would speak to Mr Clark about providing a Hockey Club for Key Stage 1. Other suggestions for clubs in future were Baking Club, Gardening Club and Art Club.

Pupil School newspaper

Isabel volunteered to help Holly create the second edition of the Egginton pupil newspaper. Mr Kitching said he would ask pupils in assembly if anyone else would like to contribute.

Football Rota

School council raised concerns that sometimes pupils walked across the football pitch even though they were not playing. Mr Kitching said he would remind pupils in assembly about this.

The school council agreed that they should return to a football rota where year groups have certain lunch times that they played football. This is because some pupils were 'taking over' even when it wasn't their day. School council agreed to discuss how the football rota was working again at the next school council meeting.

Anti-bullying theme week

Pupils said this was a good week to have and was useful to discuss different types of bullying and how to deal with it. They thought the 'worry box' was a good idea to have in each class.

AOB

School council discussed how it would be a good idea to have a girl's football team
Josh and Max offered to create a school council book for the Trent and Derwent class.
Year 5/6 to swap monitor jobs regularly so everyone gets a turn.
Sometimes too much play equipment is out at lunch and break time - limit to 1 box at a time.
