School Expectations

We believe that children cannot learn if they are absent from school. Therefore, we aim to ensure that all our children take full advantage of the educational opportunities available to them and to raise standards by promoting regular attendance and punctuality of pupils.

We are committed to providing an education of the highest quality for all our pupils. We believe high attainment depends on good attendance. We expect all school personnel to support and promote excellent school attendance by acting as role models and to work hard to provide a learning environment in which all pupils are eager to learn, feel valued and enjoy coming to school. School personnel have a responsibility for identifying trends in attendance and punctuality.

EGGINTON PRIMARY SCHOOL

We believe it is essential to regularly remind parents of the importance of good attendance and its links to pupil attainment. The Education Act 1996 clearly states that the prime responsibility of parents/carers is to ensure that their children attend school regularly. We have a duty to monitor pupils' attendance through daily registration and will address all poor or irregular attendance by contacting and discussing the situation with parents. We will inform the local authority of pupils who are regularly absent from school or have missed ten days or more without permission. The local authority must have in place 'robust procedures and policies' to enable them to meet their duty in relation to Children Missing from Education (CME).

We ensure school personnel, pupils and parents/guardians understand that pupil absence from school is a potential safeguarding risk. Therefore, we have in place a first day contact supervisor who is responsible for monitoring pupil attendance and will make contact with parents if the school has not been informed of their child's absence. We have a duty to establish the whereabouts of all absent pupils and will send a member of the school personnel to a child's home if contact cannot be made by phone with the child's parents/carers. We will inform the police if there is no answer when school personnel visit the family home. For all pupils we have in place at least two emergency contact phone numbers for different adults associated with each pupil.

We believe truancy is a matter that we treat very seriously as we feel pupils are not only losing valuable learning time but they are putting themselves at serious risk as the school and their parents are not aware of their whereabouts. We have a duty to ensure that all parents are aware of our '*legal powers to use parenting contracts, parenting orders or penalty notices to address poor attendance and behaviour in school*'. Parents have a duty to ensure their children are well behaved and attend school regularly as '*good behaviour and attendance are essential to children's educational prospects*'.

We are aware that '*parenting contracts, orders and penalty notices for irregular attendance apply only to pupils of compulsory school age who are registered at a school*' while '*penalty notices for parents of pupils found in a public place during school hours after being excluded also apply only to children of compulsory school age who are registered at a school*'. We believe it is essential to have a strong working relationship with the Education Welfare Service which provides support for pupils and their families in order promote good pupil attendance and to reduce truancy.

We are aware that leave of absence can only be granted to a pupil only in exceptional circumstances and in authorising a holiday in term time, we will take into account the child's attendance record, the child's age, the reason for the trip, the time in the academic year and the employment difficulties that parents face by taking holidays in school holiday time. We will exercise a consistent approach and ensure fairness for all pupils.

National Framework for Penalty Notices

The new national threshold for consideration of legal action is 10 sessions of unauthorised absence in a rolling period of 10 school weeks. A school week means any week in which there is at least one school session. This can be met with any combination of unauthorised absence, including lates after close of register (Attendance code U) and unauthorised leave in term time (Attendance code G).

If your child's absence falls into this category the school will decide if further offers of support is likely to improve the situation or if a request for legal action should be submitted to the Local Authority.

Equality

We as a school community have a commitment to promote equality and we believe this policy is in line with the Equality Act 2010. We have a responsibility to ensure equality permeates into all aspects of school life and that everyone is treated equally irrespective of age, disability, gender reassignment, marriage and civil

EGGINTON PRIMARY SCHOOL

partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation. We want everyone connected with this school to feel safe, secure, valued and of equal worth.
